### Chapter 1 by Ravenisk

They say what you choose to do with your life reflects who you are. So there I was one night, walking to my apartment from a grueling day of work. After I finished getting freshened up, I jumped into bed and doozed off. In the middle of the night, I heard a crash that jolted me awake. I stood up, and turned my attention to the corner of my room. There seemed to be a figure standing there, staring at me lifelessly. Frightened, I backed away, but clumsily slipped and fell through the window. I screamed and the last thing I saw was a shadow grinning at me.
